VOL. XLII — No. 1 AUGUST, 1979 $1.00 Per Year

# — IN MEMORIAM —

**Theodore A. "Ted" Sanford**

As it must to all men, death came to Ted Sanford in the early morning hours of June 27, 1979. It was not exactly easy, few deaths are, but it was a kind cessation of suffering for Ted following four consecutive months in the Intensive Care Unit of the Saint Joseph Hospital in Lexington.

Ted has gone where all good men go. He was a human being with all the weaknesses and frailties that human flesh is heir to, but he was a great human being, a great administrator, a great person and, above all, a Christian gentleman. Those who knew him best, and they are legion, are unanimous in this belief.

A few headlines of news stories reporting his passing bear mention:

A MAN WHO MADE PEOPLE HIS HOBBY,
TED SANFORD DIES AFTER LONG ILLNESS.

SANFORD, DEAD AT 77, DEVOTED HIS
LIFE TO KENTUCKY'S YOUTH.

SANFORD OVERSAW NEARLY 40 YEARS
OF TREMENDOUS GROWTH IN KHSAA.

SANFORD, DEAD AT 77, LED KHSAA TO
PROMINENCE AND PROSPERITY.

All of the foregoing statements are true. All of them bear mute testimony to the achievements of a great man who lived as full and rich and meaningful a life as it is possible for man to live.

Most of the hundreds of thousands of Kentuckians who knew him during his hey-day knew him primarily for his work in athletics. As part-time Secretary/Treasurer of the KHSAA from 1937 to 1947 and then as full-time Commissioner from 1947 until his retirement in 1972, Ted's name and Kentucky High School athletics were synonymous.

During these years of fantastic growth in the scope and quality of Kentucky's high school athletic program, no man contributed more than Ted Sanford.

Mike Johnson, writing in the Lexington Herald said, "Under Sanford and Joe Billy Mansfield, who became Sanford's first assistant commissioner in 1949 and eventual successor, the KHSAA prospered financially and expanded tremendously on the playing fields. The Boys' State High School Basketball Tournament was Sanford's pride and joy as he watched it grow into one of the premier events of its kind in the country."

From the keen pen of Earl Cox, astute columnist of the Courier-Journal, came these words, "During Sanford's early years the KHSAA struggled, taking in less than $10,000 per year on the State Basketball Tournament. Receipts from this year's tournament amounted to about $450,000. The KHSAA under Sanford was a national leader in number of sports offered and it didn't take the feminist movement to open the door to female athletes. For many years before, girls had their own championships in track, cross-crountry, golf, tennis, swimming, fencing and gymnastics. And girls' basketball tournaments were revived five years ago after having been dropped in 1932."

Rick Bailey, Lexington Leader Sports Editor, friend and admirer of Ted said, "The list of his accomplishments, shared with his assistant, Joe Billy Mansfield, was impressive. Several minor sports were added and football was divided into classes with a play-off system to determine the state champion." The growth and development of the program necessitated additional assistant commissioners to handle the increased work load. Quality growth all the way.

Sanford had the help and support of quality people as association presidents, board members and staff and he would be the first to agree, but it was Ted who was the 'glue man' all the way.

Despite the time-consuming and pressure-packed job that he handled so deftly through the years, he found time to spend 44 years in volunteer service with the Red Cross, served on the boards of the United Community Fund, the Salvation Army, Kentucky Lung Association, Boy Scouts, Rotary Club and Kentucky YMCA.

He received honorary degrees from Kentucky Wesleyan (where he also served on the Board) and Murray after earning his undergraduate degree at Centre with one of the best academic records in the history of that quality institution. He later earned his Master's Degree from U. of K. and in 1975 was elected to the Kentucky Athletic Hall of Fame.

Probably more important than any or all of the above honors is that he so contributed of his time and talent to the First United Methodist Church of Lexington that his long-time pastor, Billy Ray Jennings in eulogizing Ted at his funeral said, "He was the best and most dedicated church man with whom it has been my privilege to work during my ministry."

Ted probably would have ranked that accolade at the very top of the list had he known it was being said — but then — who is there to say that he did not know? I have a feeling that perhaps he did!

And Billy Ray could well have added that the community and area in which he lived and worked was a better place by virtue of his having passed that way. And this, in the last analysis, is the measure of the real worth of a man.

There is no way a tribute to Ted Sanford can be written without mention of Nelle, his wife, close companion and confidante for fifty-four years. Ted was Secretary of the KHSAA from 1937 to 1947 and Nelle was secretary to the

## Minutes of the Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. office on Saturday, May 19, 1979. The meeting was called to order by President Jack Burkich at 10:00 A.M. with Board members Zeb Blankenship, Pete Grigsby, Joseph McPherson, J. D. Minnehan, Norman Passmore, Denzil J. Ramsey, Glendon Ravenscraft, Barney Thweatt; Commissioner Tom Mills and Assistant Commissioner Louis Stout present. Conley Manning and Darrell Wells were present representing respectively the State Department of Education and the State School Boards Association. The invocation was given by J. D. Minnehan.

Joseph McPherson moved, seconded by Norman Passmore, that the minutes of the April 20th meeting be approved. The motion passed unanimously.

Commissioner Mills gave a report on the results of the recent survey completed by the principals of member schools on classification in basketball. He reported that of those principals responding, 135 were opposed to changing the present playoff system while 106 favored classifying the schools based upon their enrollment. Following a discussion on the results of the survey, President Jack Burkich referred the matter to the Basketball Committee for further study and recommendations.

The results of the recent survey taken on the assignment of district and regional basketball officials indicated that 141 schools favored the assigning of officials to work District Tournaments within the region of the local association to which they belong while 86 schools opposed this. One hundred and twenty-six schools favored the assigning of officials to work regional tournaments within the region of the local association to which they belong with 99 schools opposed. President Burkich requested that the Basketball Committee consider the results of this survey and make recommendations to the full Board at a future meeting.

After a discussion on the sponsoring of a state tournament in volleyball, Zeb Blankenship made the motion, seconded by J. D. Minnehan, that based upon the results of the recent survey taken among member schools, the K.H.S.A.A. sponsor a state tournament in volleyball in the Fall of the 1979-80 school year. The motion carried unanimously.

Mr. Mills reported to the Board that he had received forty applications for the position of Assistant Commissioner. After a discussion on the applications, Norman Passmore moved, seconded by Denzil J. Ramsey, that the Board accept the recommendation made by Mr. Mills to hire Brigid L. DeVries for the position of Assistant Commissioner for one year at an annual salary of $17,120.00. The motion passed unanimously.

J. D. Minnehan made the motion that the $75,000.00 catastrophe injury insurance plan be renewed for the 1979-80 school year with Doug Ruedlinger, Inc., at an annual rate of $14,000.00. Norman Passmore seconded the motion and it passed unanimously.

Mr. Mills read the correspondence from Supt. Edward Wright of Franklin county concerning the scheduling of baseball games. After a discussion, it was the opinion of the members of the Board that under the present provisions of the Constitution and By-Laws, they do not have the authority to limit the number of baseball games scheduled or played during the regular season by a member school. The number of games scheduled in all sports, with the exception of basketball, is left entirely with the local school administration. Mr. Mills suggested that a proposal for a change in this regulation may be submitted to the Delegate Assembly for consideration or directly to the member schools in the form of a referendum.

The next meeting will be held at Kenlake State Park, Aurora, Kentucky, on July 26-29, 1979.

Barney Thweatt made a motion, seconded by Pete Grigsby, that the bills of the Association for the period beginning April 1, 1979, and ending April 30, 1979, be allowed. The motion passed unanimously.

There being no further business, the meeting adjourned.

## — IN MEMORIAM —

***Continued***

Secretary and the 'office' in which they worked was a room in their home.

Both Nelle and the office were 'for free' — the best bargain the Association ever got.

This combination saved the KHSAA thousands and thousands of dollars during this ten year period.

It must be said that by virtue of her close association with the operation of the office, she became as knowledgeable of the Association as most of the school people themselves.

So adios, Theodore, old friend — and for all you gave to those of us who remain — Mucho Gracias and Bon Voyage!

## CAN ATHLETIC INJURIES AND COST OF ATHLETIC INSURANCE BE REDUCED?

HERE ARE SOME SUGGESTIONS THAT WILL HELP:

1. Secure a team physician. Your local Medical Society can advise on this.

2. Require players to be physically fit and well conditioned before engaging in contact.

3. Do not allow a player with an injury to participate until he has medical approval to do so.

4. Make sure equipment is adequate, in good condition, and that it is properly worn.

5. Consider carefully the length of practice sessions. The latter part of lengthy sessions produces the most injuries.

6. Require injuries to be reported to you promptly and refer those needing attention to the physician at once.

7. Get your players interested in injury prevention and fitness. Any player is more valuable without casts and crutches.

8. Our COOPERATIVE FOOTBALL PLAN and Student Insurance provide excellent coverage, service and economy.

Commissioner Mills presented to the Board copies of the material completed for the auditor and also copies of the 1979-80 budget report. He asked the Board to study the material and called their attention to an item in the receipts and disbursements of the Boys' State Basketball Tournament of $8,000 that was deposited to the Girls' Basketball account so the participating schools in the tournament could receive the $500.00 incidental expense allowance, this item being redeposited in the Boys' Basketball Tournament account at a later date. He also called their attention to a new form that the State Department of Education has requested that the K.H.S.A.A. use in reporting their budget. After a discussion by the Board of Control, Joseph McPherson moved, seconded by J.D. Minnehan, that By-Law 4 not be waived in this case. The motion carried unanimously.

Commissioner Mills explained that the State

Department of Education has revised Article XII of the K.H.S.A.A. Constitution. The Article now reads as follows:

Management of Interscholastic Athletics — Sec. 1. The State Board for Elementary and Secondary Education designates the Kentucky High School Athletic Association as the sole organization to manage interscholastic athletics in schools which are members in good standing of the Kentucky High School Athletics Association. Each local Board of Education is responsible to the State Board for Elementary and Secondary Education for interscholastic athletics in Grades K-8. Sec. 2. The Kentucky High School Athletic Association will submit annually the rules, regulations and by-laws to the State Board for Elementary and Secondary Education together with any proposed changes thereto. Sec. 3. Appeals from the Kentucky High School Athletic Association Board of Control to the State Board for Elementary and Secondary Education shall follow the procedures as provided by 701 KAR 5:020 Sections 2 through 5.

After a lengthy discussion concerning the enrollment of new schools in the K.H.S.A.A., it was recommended that a new school formed from schools under the auspices of the same board of education of a member school will be received into the K.H.S.A.A., upon receipt of application and a copy of the operational approval of the State Department for Elementary and Secondary Education. Schools which originate from sources other than herein described will remain in a candidacy status for a two year period, with a similar delay in participation in championship tournament play. Robie Harper moved, seconded by Zeb Blankenship, that the recommendation of the Board of Control concerning new school memberships be approved. The motion carried unanimously.

Commissioner Mills read letters from the principals of Spencer County and Anderson County high schools requesting that their school be changed from Basketball District 29 to District 30. After careful consideration, the Board declined to approve the requests. They will re-consider these requests upon completion of the proposed additional high school in Bullitt County.

Mr. Mills discussed with the Board the requests from the men's and women's coaches associations and the athletic directors association concerning their interest in joining the Federation Fund with which the K.H.S.A.A. carries (at no cost to the member schools) a $75,000 catastrophe insurance and a five million liability policy. Norman Passmore moved, seconded by J.D. Minnehan, that their requests be granted. The motion carried unanimously. The premium for this insurance will be paid by each of the named associations based upon their total membership.

Jack Burkich introduced Supt. James Caudill of Hazard City Schools, Prin. James W. Fields of M.C. Napier High School and Elwood Cornett of the Kentucky Valley Educational Cooperative. Mr. Cornett, Mr. Caudill and Mr. Fields made presentations to the Board concerning the regulation of spring sports and sub-state basketball tournaments. They ask that the K.H.S.A.A. consider placing season limitations on spring sports to include the number of games or activities scheduled. They also requested that the Board conduct a survey among member schools to determine their interest in changing the present playoff system in basketball to one composed of sub-state tournaments. This request was referred to the Basketball Committee for consideration. President Thweatt thanked the group for appearing before the Board and assured them that consideration would be given to their requests.

Commissioner Mills discussed with the Board the numerous inquiries he has received from Boards of Education and high schools concerning By-Law 29, Requirements of Coaches. After a lengthy discussion by the Board members, Norman Passmore moved, seconded by Denzil J. Ramsey, that the Board decline to waive the requirements of By-Law 29, but permit the employment of personnel that hold valid teaching certificates, are employed as permanent substitute teachers, and assured of teaching a minimum of three regular periods of classes, gymnasium, study halls or other activity assignments within the school's schedule as coaches of athletic teams. The motion carried unanimously.

Upon a motion by Robie Harper, seconded by Jack Burkich, the regular meeting adjourned at this time for lunch. The motion carried unanimously.

The Board of Control Meeting re-convened at 1:30 P.M.

Assistant Commissioner Billy Wise discussed with the Board the need to raise the fees for mileage for all officials. Jack Burkich made a motion, seconded by Norman Passmore, that officials be paid 15¢ per mile for all necessary travel to officiate an assigned game. The assigning secretaries shall assign officials from the same geographical area when possible and only when he deems it necessary shall a school be required to pay for more than one car. The motion carried unanimously.

Mr. Wise presented the results of a survey taken concerning the assigning of basketball officials. After a lengthy discussion and consideration of the results of the survey, Joseph McPherson made a motion, seconded by Fairce O. Woods, that basketball officials be assigned to officiate within the district and region where they are members of the local association. However, with the approval of the Commission the assigning secretary may assign officials outside the region if he deems it necessary. The motion carried with a vote of 6-2 with one member not voting.

Assistant Commissioner Brigid DeVries reported to the Board the results of her Volleyball Committee Meeting. Information from the blue statement forms indicate that about forty-seven schools will sponsor women's volleyball teams. The Committee will meet in August or early September to determine the site of the tournament to be held on

October 26-27.

Assistant Commissioner Louis Stout presented the recommendations of the Wrestling Committee to the Board and asked that they be approved. The recommendations were as follows: The present eight regions will become eight districts with the top four wrestlers in each weight class advancing to the region. Two districts will be joined into a region which would reduce the total number of regions to four. The top four wrestlers in each weight class in each region would advance to the State Tournament. Also the Committee recommends that to certify, the team must be involved in a shoulder to shoulder weigh-in on the day of the meet or tournament. Norman Passmore moved, seconded by Zeb Blankenship, that the recommendations of the Wrestling Committee be accepted. The motion passed unanimously.

J. D. Minnehan moved, seconded by Zeb Blankenship, that all bills of the Association for the period beginning May 1, 1979, and ending June 30, 1979, be allowed. The motion carried unanimously.

1. **PLAY:** With 15 seconds remaining in the second quarter, B1 is guilty of piling on after an advance by A1. After administering the penalty, the referee declares the ball ready-for-play and winds the clock. Before team A puts the ball in play, time expires.

**RULING:** the half is over and the penalty will be administered on the succeeding kickoff. (3-3-3)

2. **PLAY:** A1 is downed and B2 piles with 5 seconds remaining in the 2nd or 4th quarter. After enforcement referee starts clock and (a) time expires before the ball is snapped or (b) A hurries to the line and snaps the ball before time expires.

**RULING:** In (a) since the dead ball foul followed the last timed down of the 2nd or 4th period B will be penalized 15 yards at the start of the 2nd half or if at the end of the 4th quarter and the score is tied the penalty will be enforced to start the overtime. In (b) the penalty is enforced as part of the 2nd or 4th quarter.

**COMMENT:** Officials must enforce the foul as part of the period since they have no way of knowing if the run by A1 is the last down of the period or not. If it is not, the penalty has been enforced. If it is the last timed down, then rule 3-3-3 is invoked.

3. **PLAY:** Prior to the game the umpire asks the coach whether he has any players that will be wearing special pads or braces that should be inspected? The coach informs the official he does have a boy wearing a New Lenox De-rotational knee brace designed and approved by an Orthopedic Surgeon. Upon inspection the knee brace is found to have a piece of metal that passes over the front of the leg both above and below the knee. The coach explains that the metal is covered and padded and it has been approved by the athlete's physician.

**RULING:** The brace is illegal and may not be worn. (1-5-3d).

**COMMENT:** Rule 1-5-3d is quite specific in prohibiting knee, elbow, hand, wrist or forearm guards, or braces made of sole leather, plastic, metal or other hard substance, **even though covered with soft padding. It does allow** the traditional hinged knee brace (with metal supports at the lateral and medial sides of the knee) if properly covered **and with no metal in front of the knee.** No coach, official, or physician has the authority to set aside a playing rule. The fact the brace may be worn by players at other levels of competition, also has no bearing on the case.

4. **PLAY:** On 4th and goal from the 5 yard line, the ball is declared ready for play with the nose of the ball just touching the 5 yard line. Following A's incomplete pass, B takes over and the referee places the ball in line with the down box as it was prior to A's 4th down incomplete forward pass, i.e. with the foremost point (nose) of the ball on the 5 yard line.

**RULING:** This is incorrect. When a team fails to reach its line-to-gain on a 4th down run, the foremost point of the ball at the time it became dead would become the **rear point** when direction of the offense is changed, and after a 4th down incomplete pass, the ball is placed "as it was at the start of the down" (or previous 4th down play). Unless the 4th down play resulted in a touchback or safety, or A reached its line-to-gain, team B will gain approximately 11½" (the length of the football) in field position, and the down box will invariably have to be moved. Following a touchback or safety the ball is placed with its foremost point touching the 20 yard line.

**COMMENT:** Many officials seem to find it convenient to merely reset the line-to-gain chains following an incomplete 4th down pass by using the previous line of scrimmage (down box) as the position for the rear stake when the direction is changed. This is not supported by rule 5-3-3.

5. **PLAY:** K's punt is caught by R1 at the 50. On the runback K2 and R2 get in a shoving match at the 30 yardline, after which there is clipping by R3 at the 15 yardline prior to R1 going out-of-bounds at the 5 yardline.

**RULING:** If R accepts K's foul at the 30 it automatically makes this a double foul situation and the down will be replayed. If R declines the penalty for K's foul at the 30, the penalty for R's foul at the 30 will take the ball to K's 45 where it would be 1st and 10 for R. (10-2-1c).

6. **PLAY:** There are 28 seconds remaining in the 4th quarter following A1's touchdown which put team A in the lead 7 to 6. Team B has no time-outs remaining. K's kick-off is returned to R's 30. During the kick, R2 blocks below the waist. Following the 15 yard penalty, administered from the previous spot, the clock starts with the ready-for-play signal with 23 seconds remaining. K allows the clock to expire. The referee announces there will be an untimed down because the penalty was accepted for the defensive foul by R on the last-timed down of the period. K1 now places the ball on the hash mark and deliberately kicks the ball out-of-bounds.

**RULING:** The game is over. (3-4-2b, 2-4-c, 6-1-8)

**COMMENT:** Kicking the ball out-of-bounds deliberately is not a foul. Ordinarily the "penalty" for a free kick going out-of-bounds would be to award the ball to R 10 yards behind its free kick line.

7. **PLAY:** With 4th and goal on B's 2, and prior to the snap, (a) B1 strikes A1 who then hits B1, or (b) A1 strikes B1 who then hits A1, or (c) A1 and B1 are fighting and the officials cannot determine who struck the first blow.

**RULING:** Since all dead ball fouls are enforced in the order of which they occur, in (a) penalize B to the 1 and A to the 16 making it 4th and 16 for A. In (b) penalize A to the 17 and then B to the 8½ making it 4th and 8½ for A. In (c) since it can't be determined who fouled first, **no yardage penalty will be enforced.** In all cases A1 and B1 will be disqualified (10-2-4, and Case Book Play 9-3-2a and 9-3-2b).

8. **PLAY:** Just after the ball is snapped, B1 illegally contacts snapper A2 with his forearm as quarterback A1 moves down the line of scrimmage and (a) flips a backward pass to A3, or (b) hands the ball to A3. In both situations A3 advances for a 30 yard gain.

**RULING:** In (a) the foul occurred during a loose ball play (the backward pass behind the line and everything that preceded it). Since the penalty would be measured from the previous spot team A would undoubtedly decline the penalty. In (b) the penalty would be accepted because it occurred during a running play and would be enforced from the spot where the run ended (10-3-1A, 10-3-2, 10-3-1b and 10-3-3).

9. **PLAY:** While a scrimmage kick is in flight beyond the line, R1 signals for a fair catch. The wind carries the kick behind the line where R2 or K2 recovers. R1 blocks above the waist (a) while the kick is still in flight, or (b) after the ball strikes the ground.

**RULING:** Illegal block in (a) or (b).

**COMMENT:** Though R1 made a legal fair catch signal (while the ball was beyond the line) he cannot make a fair catch behind K's line (2-3-2). However, the kick would become dead when caught. (6-5-4). Whether a fair catch is made or not, R1 is still prohibited from blocking until the kick has ended following the legal fair catch signal (6-5-1 and P.S. 651A).

10. **PLAY:** A1 advances for an apparent touchdown. During the run A2 clips, and time expires in the 2nd or 4th quarter.

**RULING:** B will accept the penalty and the half will be over.

**COMMENT:** After a penalty for a foul by the offense during the last timed down of either half, the down is not replayed, and no points scored by the offense during such downs are credited to them (3-3-3).

### Football

BALL HANDLING IN FOOTBALL, j-s-c-a, 1 reel, $2.00.

Fundamentals of ball handling are stressed; stance, grip, "feel" of the ball, fingertip control adjustments before throwing or kicking, receiving passes from center or from a back, catching passes and punts, ways of carrying a ball, and changing from one hand to another. Game shots are presented, using slow motion and stop action techniques, and superimposed animation to illustrate principles.

BLOCKING IN FOOTBALL, j-s-c, 1 reel, $2.00.

Fundamentals of good blocking are taught in this film; position, speed, drive, follow-through, timing and body control. Describes shoulder and body blocks, demonstrating several varieties of these. Importance of good physical condition, practice, and experience are emphasized. Special photography used to illustrate different points.

GOAL TO GOAL, 28 min.; color, $115.00; black & white, $75.00.

This film provides a dramatic visual approach to a better understanding of the rules of football for players, coaches, officials and spectators. It is designed for coaches, officials, players and fans, and promotes emphasis in the following areas: scrimmage violations, pass interference, encroachment, free kicks, false starts, live and dead ball fouls, butt clocking, face tacking, clipping, batting the ball, running plays and pass situations. This new motion picture will be an asset to any sports information library.

POINT OF CONTACT — BLOCKING AND TACKLING TECHNIQUES, 17min., color, 17mm., color, 16mm.

This picture was produced by the National Federation of State High School Associations to explain the rules relating to butt-blocking and face-tackling. The film uses all modern motion picture techniques including graphics, stop action and slow motion to explain the reason football rules committees are concerned with the techniques of butt-blocking and face-tackling.

TACKLING IN FOOTBALL, j-s-c-a, 1 reel $2.00.

Tackling properly is shown as the result of application of certain fundamentals: good physical condition, speed, body placement, drive, sure grip, timing, and body control. VOL. XLII — No. 3 OCTOBER, 1979 $1.00 Per Year

## A MESSAGE from Brice B. Durbin

The National Federation membership and headquarters staff are firm in the belief that interscholastic activities programs are essential to the education of most youth and, therefore, are an integral part of high school curricula. We consider interscholastic activities to be laboratory courses in human relations as well as physical and emotional development. We believe the programs are unmatched in the economic efficiency with which they educate boys and girls.

High school activities programs will attract more than 10 million participants this year. Nearly 50% of the student body of most schools will be involved in some phase of the interscholastic program.

In virtually all of these schools, the interscholastic activities program will require a school board subsidy of less than 1% of the total school budget. That includes equipment, supplies, transportation, coaches salaries and a portion of the utility bills.

Fifty percent of the students at one percent of the budget: that could be the best bargain in public education, and it's the kind of accountability in education which the public is demanding. Rather than being squeezed out of school programs, interscholastic activities programs should be held up to communities as model programs for these times. — Executive Secretary, National Federation of State High School Associations.

## KENTUCKY HIGH SCHOOL COACHES ASSOCIATION
### Regular Meeting
### June 8, 1979 Galt House

The annual meeting of the Kentucky High School Coaches Association was convened in the Kings Head Room of the Galt House in Louisville, Kentucky on Friday afternoon at 2:30 P.M. with the following officers in attendance: Al Prewitt, president; newly elected president Garland "Corky" Miller; Joe Ohr-secretary-treasurer and Bob Miller, ex-president.

Joe Ohr gave the invocation.

Al Prewitt in introducing the new president Garland Miller, praised his preceding officers for their cooperation during his four years as a member of the Executive Board.

The minutes of the 1978 regular meeting had been published in the Athlete and on motion by Wilson Sears and a second by Gary Schaffer, the reading was dispensed with.

The secretary-treasurer gave a detailed accounting of the financial status of the All-Star and the Kentucky High School Coaches Association bank accounts. The report was presented from an audit prepared by a Certified Public Accountant. On a motion by Gary Schaffer and a second by Jack Upchurch, the report was accepted.

Bob Miller explained the new Constitution of the Association — actually the revision — which required a considerable amount of time to update. The new constitution was accepted by motion of Julian Cunningham and seconded by Bill Fry and a unanimous vote of those present.

President Garland Miller explained the attempt to provide $100,000 catastrophic insurance on all athletes and noted that coaches accompanying the members of a team were not covered by the insurance, stated that Commissioner Tom Mills of the Kentucky High School Athletics Association is attempting to secure a policy which would cover the coaches with catastrophic insurance plus liability insurance with the payment of a $1.00 or $1.50 from each member of the Kentucky High School Coaches Association. With the above benefits in mind, a motion by Stan Hardin and Second by Gary Schaffer that the annual dues be increased to $5.00, and a life membership be increased to $15.00, effective March 1, 1980. The measure passed unanimously.

The coaches of the All-Star games received no salary for their services this year. The feeling of the members present was that an award of some kind be given the coaches. On motion by Bill Fultz and second by Jack Upchurch, that the Executive Committee be empowered to secure suitable awards.

Bill Fultz, president of the Kentucky Basketball Coaches Association, spoke to the group concerning Jim Richards, executive secretary of the K.B.C.A. being given a direct line to the Commissioners regarding basketball problems. On a motion by Bill Fultz and a second by "Jeep" Clark the motion passed that Richards be approved as a representative of the Kentucky High School Coaches Association to contact the Commissioner and the Board of Control of the K.H.S.A.A. regarding such basketball problems.

Stanley Hardin, basketball coach at Fairdale was elected sergeant-at-arms of the K.H.S.C.A. by acclimation.

The meeting adjourned at 4:30 P.M.

## TOMMY STARNS FUND

Early this school year Tom Starns who has been working with the youth of Central Kentucky for nearly 20 years underwent surgery. While the surgery was minor some complications took place which has left Coach Starns in the Hospital. Almost a month has passed and he is still in the Duke University Hospital in Durham, North Carolina. It looks like he will continue to be there for a while.

To help defray some of the tremendous expenses a Tommy Starns Fund has been established. Friends, parents of students, students themselves have expressed an interest to help. # KENTUCKY HIGH SCHOOL COACHES ASSOCIATION AUDIT REPORT

May 21, 1979

Executive Committee
Kentucky High School Coaches Association
Louisville, Kentucky

Gentlemen:

I have examined the statement of cash receipts and disbursements for the fiscal year ended March 31, 1979. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

In my opinion, the accompanying statement of cash receipts and disbursements presents fairly the recorded cash transactions of the Kentucky High School Coaches Association and All Star Fund for the year ended March 31, 1979 on a basis consistent with that of the preceding year.

Ronald I. Small
Certified Public Accountant

## MAJOR WRESTLING RULE CHANGES FOR 1979-80

1-3-1 & 2 Each individual state high school association shall develop and utilize an effective weight control program. It should require each wrestler to establish his certified minimum weight prior to a date specified by the state association.

2-4-2 Scales shall be certified annually in accordance with guidelines established by state associations.

4-3-1 Weight classes may be added or deleted by state association adoption (you cannot add some weight classes and delete other weight classes — you may only do one or the other, not both.)

4-3-2 Unlimited class contestants shall weigh a minimum of 185 pounds.

4-4-4 A minimum of twenty-four hour advance notice shall be given to your opponent in order to be granted this one pound allowance.

## MINUTES OF BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. Building, Lexington, Kentucky, on Saturday morning, October 13, 1979. The meeting was called to order by President Barney Thweatt at 9:00 A.M. with all Board members, Commissioner Tom Mills, Assistant Commissioners Brigid DeVries, Louis Stout and Billy V. Wise present. Conley Manning and Darrell Wells were present representing the State Department of Education and the School Boards Association respectively. The invocation was given by Norman Passmore.

Norman Passmore moved, seconded by Fairce Woods, that the minutes of the July 27 meeting be approved as submitted. The motion passed unanimously.

President Thweatt introduced Mrs. Phyllis Ransdell to the Board. Mrs. Ransdell was appearing before the Board to appeal the Commissioner's ruling that her daughter was ineligible to compete in athletics at Atherton High School under By-Law 6, Section 1, Transfer Rule. After a lengthy discussion of the reasons that Mrs. Ransdell presented to the Board for the transfer of her daughter to another school, Norman Passmore moved, seconded by J. D. Minnehan, that the decision of the Commissioner be upheld. The motion carried unanimously.

Robie Harper presented letters from Greenville High School to the Board appealing the decision concerning Michael Lynn Bandy, a student who is ineligible under the provisions of By-Law 6, Section 1, Transfer Rule. After a discussion by the Board, Fairce Woods moved, seconded by Joseph McPherson, that the By-Law not be waived in this case. The motion carried unanimously.

Commissioner Mills reported to the Board on the times and dates of the 1979 Football Playoffs at the Fairgrounds, Louisville. Class A will play on November 23, 12:00 Noon; Class AA will play at 2:30 P.M.; Class AAA will play at 8:00 P.M. On November 24, Class AAAA will play at 8:00 P.M.

Mr. Mills asked Assistant Commissioner Brigid DeVries to give a report on the first volleyball tournament. She reported that a State Girls' Volleyball Tournament will be held at Memorial Coliseum, University of Kentucky, Lexington, on October 26-27, 1979. She explained that it would be a pool play round robin type tournament and would start at 4:00 P.M.

Assistant Commissioner Louis Stout gave a report on the State Cross Country with Class A and Class AA boys and girls meets being held at the Kentucky Horse Park, Lexington, on November 3, 1979, at 1:00 P.M. Class AAA boys and girls meets will be held on November 3, Tom Sawyer Park, Louisville, at 2:30 P.M.

At this time Mr. Mills asked the Board to consider the price of the boys and girls state basketball tournament tickets as they would need to be ordered very soon. After a lengthy discussion, J. D. Minnehan moved, seconded by Norman Passmore, that last year's prices of $4.00 and $5.00 be accepted. The motion carried unanimously.

There was a discussion on the distribution of passes to the coaches at the Girls' State Basketball Tournament. Jack Burkich moved, seconded by Zeb Blankenship, that upon presenting the signature of the principal of a member school, a girls' head basketball coach would be permitted to pick up a complete set of tickets to the Girls' State Basketball Tournament. The motion carried unanimously.

After a discussion on the site of the state baseball tournament and upon the recommendation of Mr. Mills, Jack Burkich made the motion, seconded by D. J. Ramsey, that Fort Knox High School be the site of the 1980 State Baseball Tournament. The motion carried unanimously.

President Barkley Moore and Coach Rick Stephens of Oneida Baptist Institute were introduced to the Board by President Thweatt. They came before the Board to appeal the ruling in the eligibility case of Richard Tsueda. He was ruled ineligible under the provisions of By-Law 6, Section 1, Transfer Rule. Following a discussion on the appeal, D. J. Ramsey made a motion, seconded by Joseph McPherson, that By-Law 6, Section 1, not be waived in this case. The motion carried unanimously.

Prin. Ledger Howard of Evarts High School, came before the Board to appeal the suspension of Evarts High School from participation in all athletic activities for an indefinite period of time, for the violation of K.H.S.A.A. By-Law 1, Section 7b. Mr. Howard requested that the suspension be lifted to permit Evarts High School to participate in basketball and baseball during the 1979-80 seasons. After a lengthy discussion the Board declined to reinstate the membership of Evarts High School at this time and voted unanimously to instruct the Commissioner to investigate fully the report of additional violations and to submit his findings to the Board of Control at its next meeting on December 15, 1979.

Mr. and Mrs. Ray Klump requested that the Board waive K.H.S.A.A. By-Law 6, Section 1, Transfer Rule, in favor of their daughter, Kathy, to permit her to participate in athletics for Campbell County High School. Following a discussion of their presentation, Fairce Woods moved, seconded by Pete Grigsby, that the Transfer Rule not be waived in this case. The motion carried unanimously.

Attorney Al Brooks and Mr. Douglas Sherwin came before the Board requesting a waiver of K.H.S.A.A. By-Law 6, Section 1, Transfer Rule, in favor of Scott Sherwin. After a discussion of the presentation made by Mr. Brooks and Mr. Sherwin, Zeb Blankenship made a motion, seconded by Joseph McPherson, that the Transfer Rule not be waived in this case. The motion carried unanimously.

Mr. Mills presented a request by the Kentucky High School Coaches Association and the Athletic Directors Association that the Board of Control go on record as being opposed to changing the date of the Kentucky-Indiana All-Star games from June to April. After discussing the fact that the athletes would lose their eligibility for spring sports and the fact that they would be taken out of school for practice, D. J. Ramsey moved, seconded by Robie Harper, that the Board oppose the change of the Kentucky-Indiana All-Star games to April. The motion carried unanimously.

Pete Grigsby made a motion, seconded by Zeb Blankenship, that the following plan be adopted by the Board of Control concerning the ranking and assigning of officials to work boys and girls basketball games:

"Each assigning secretary shall mail a roster of the qualified officials registered in the Region to each boys' and girls' head basketball coach within the Region and, after determining the number of officials needed, permit each coach to rank that number of officials numerically and return the list to the assigning secretary. The assigning secretary shall then compile a ranking of these officials from the returned lists, but shall have the right to add or

delete officials for just cause. The number of scratches to be allowed by each coach shall be determined by the local policy committee. After the ranking procedure has been completed, the assigning secretary shall assign the officials on a nondiscriminatory basis to all boys and girls games. The assigning secretary shall file a copy of the ranking of the officials along with a copy of all boys' and girls' game assignments with the Commissioner." The motion passed unanimously.

Assistant Commissioner Brigid DeVries presented copies of the recent survey taken among member schools concerning limitation of seasons in all sports. She pointed out that 123 schools voted in favor of limitations being placed on all sports activities while 72 schools were opposed. The survey also showed that 52 schools have a local board policy providing that no athletic contests may be played either at home or away when schools are not in session due to inclement weather. Ninety schools indicated that they favored this policy while 103 schools were opposed. President Barney Thweatt requested that the Board members study the results of this survey for the purpose of making recommendations during the December meeting of the Board of Control.

The Board of Control set the next meeting date for December 15, 1979, at 9:00 A.M. at the K.H.S.A.A. Building, Lexington.

Jack Burkich moved, seconded by Denzil Ramsey, that all bills for the period beginning July 1, 1979, and ending September 30, 1979, be allowed. The motion passed unanimously.

There being no further business, Zeb Blankenship moved, seconded by Robie Harper, that the meeting adjourn. The motion passed unanimously.

## — NOCSAE QUESTIONS AND ANSWERS — CERTIFICATION, RECERTIFICATION AND RECONDITIONING

**(Prepared by the National Federation of State High School Associations)**

### I. THE NOCSAE SEAL

QUESTION: Does the 1980 National Federation Football Rules require that the NOCSAE seal be on all helmets used?

ANSWER: If the NOCSAE seal is not displayed on or inside the helmet, the school must be able to document that the helmets which do not carry the NOCSAE seal are of the year and model number which met NOCSAE test standards when manufactured.

QUESTION: A school purchased helmets in 1975 that were on the NOCSAE approved list but did not contain a NOCSAE seal. May these be worn? Can these be recertified?

ANSWER: Yes, as long as a school can verify the helmets are of a model number and year from a list of helmets which met NOCSAE standards, they would fulfill the NOCSAE requirement, and would be eligible for recertification, if desired, by a reconditioner who has NOCSAE testing equipment.

QUESTION: How will the football officials check to verify that all players have complied with the NOCSAE helmet rule?

ANSWER: It will not be necessary for the umpire to make a specific inspection of helmets to determine if all carry the NOCSAE seal. The umpire will ask each team's head coach to verify that all his players are equipped with all mandatory equipment — including NOCSAE certified helmets. The responsibility for insuring that proper equipment is being worn rests with the institution and its coaches, trainers and equipment managers.

### II. RECERTIFICATION

QUESTION: Is recertification required?

ANSWER: There is no National Federation Football Rule, or NOCSAE requirement, that makes it mandatory to have helmets either reconditioned or recertified. All concerned, the athlete, the coach, the equipment manager and the school administrator, have the same responsibility to maintain the safety standards of the helmet, as they do for any other piece of protective equipment.

QUESTION: Can a non-NOCSAE approved helmet be recertified?

ANSWER. No. Only a helmet which was certified at the time of manufacture may be recertified.

### III. RECONDITIONING

QUESTION: Can a helmet be reconditioned without being recertifed?

ANSWER: While some reconditioners who have NOCSAE testing equipment will, as a matter of policy, include recertification in its reconditioning process, National Federation Football Rules DO NOT REQUIRE recertification of reconditioned helmets.

QUESTION: Must a reconditioner have NOCSAE testing equipment to recondition a helmet?

ANSWER: No. However, if recertification is desired, only those who have NOCSAE testing equipment and follow NOCSAE testing procedures may recertify a helmet.

QUESTION: Can recertification be done by concerns that are not members of NAERA (National Athletic Equipment Reconditioning Association)?

ANSWER: Yes. Reconditioners who have NOCSAE testing equipment and who follow NOCSAE testing procedures, either with their own equipment or through an independent testing laboratory, may recertify a helmet.

### IV. SCHOOL MAINTENANCE OF HELMETS

QUESTION: Can a school repair or remodel a helmet without jeopardizing its certification?

ANSWER: Normal maintenance, such as replacing snap-out type padding, chin straps and face protectors with other equipment specifically designed for the helmet(s) in question, would not change the certification status of the helmet. However, if a helmet is altered by reducing or remodeling the padding, drilling additional holes for face protector attachments, especially if they are in close proximity to previously drilled holes, could reduce the protective ability of the helmet.

Schools who **repaint helmets** are cautioned to use only paint supplied or recommended by the helmet manufacturer.

QUESTION: Can a waiver be obtained to extend the deadline to wear NOCSAE certified helmets past the 1980 season?

ANSWER: No. The requirement that student-athletes would have to wear NOCSAE certified helmets was first mentioned in the 1974 National Federation Football Rules and adequate time has been given to insure compliance with the regulation. Definite improvements have been made in the design and construction of football helmets and much of the credit can be given to the voluntary adoption of the NOCSAE test standard by helmet manufacturers. It is believed that as a result of the adoption of the NOCSAE test standard, the number of football injuries and fatalities due to head injuries has decreased significantly.

### V. NOCSAE REQUIREMENTS FOR JUNIOR HIGH SCHOOLS

QUESTION: Must Junior High players also have a NOCSAE approved helmet in 1980?

ANSWER: If the Junior High School is also a member of a state high school association that is represented on the National Federation Football Rules Committee, it has the same obligation to meet NOCSAE standards as do the Senior High Schools. If the Junior High Schools in that state have a separate organization not affiliated with the State High School Athletic or Activities Association, and that organization has adopted the National Federation Football Rules, the Junior High would have the same obligation to follow this rule as any other National Federation Rule, UNLESS the governing body for the Junior High Schools in that state has decided to set aside the NOCSAE requirement. If there is no organization to which the Junior Highs are responsible, it is conceivable that they could modify, or write any rule they wanted.

## MINUTES OF BOARD MEETING

### Delegate Assembly Members

Members of the Delegate Assembly at the forthcoming 1980 annual meeting of the Association were elected by the Board appointed state representatives of the K.H.S.A.A. There were several ties in the voting for delegate and alternate. These ties were broken recently, with the delegates and alternates determined by lot. Article IV, Section 2-c, of the Constitution states in the last sentence "If the duly elected delegate or alternate does not answer the roll call at the annual meeting of the Delegate Assembly, the district shall remain not represented." The names of the district representatives are as follows:

## MINUTES OF BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. Building, on Saturday, December 15, 1979. The meeting was called to order by President Barney Thweatt at 9:00 A.M., with all Board members; Commissioner Tom Mills, Assistant Commissioners Brigid L. DeVries, Louis Stout and Billy V. Wise present. Conley Manning and Darrell Wells were present representing the State Department of Education and the State School Boards Association respectively. The invocation was given by Conley Manning.

Denzil J. Ramsey moved, seconded by Fairce O. Woods, that the minutes of the October 20, 1979, meeting of the Board be approved. The motion carried unanimously.

Norman Passmore moved, seconded by Jack Burkich, that the Board approve the minutes of the East Eligibility Committee meetings, held November 14, 1979, and November 29, 1979. The motion carried unanimously.

President Thweatt introduced Mr. and Mrs. Hezekiah Curtsinger and their son, Kelly. Kelly spoke to the Board giving the reasons for requesting a waiver of By-Law 6, Section 1. Kelly had played varsity basketball for Boyle County High School prior to transferring to Rowan County High School, Morehead, where he is living with his father, who is his guardian at this time. Following the presentation by Kelly Curtsinger and a lengthy discussion by the Board, Norman Passmore moved, seconded by J. D. Minnehan, that By-Law 6, Section 1, not be waived in this case. The motion carried unanimously.

Prin. Jerry Harris and Supt. Eldon J. Smith of Glasgow High School spoke to the Board on behalf of a student, Mandal Stockton. Mandal was ruled ineligible under the provisions of By-Law 32, Post Season and All-Star Games. Prin. Harris explained to the Board that Mandal was not aware of the rule and that he took full responsibility for the fact that the rule had not been explained to him. After a lengthy discussion Robie Harper moved, seconded by Joseph McPherson, that Mandal Stockton be reinstated as of January 2, 1980, and that he be placed on probation for the remainder of the 1979-80 school year. The motion carried 5-4.

Prin. Ledger Howard, Evarts High School, was introduced by President Barney Thweatt. Mr. Howard came before the Board to request that the suspension of Evarts High School from the Association be lifted. He explained that those persons responsible for the violations resulting in the suspension have resigned their coaching positions. Following a discussion of Mr. Howard's request, Commissioner Mills recommended that Evarts High School be reinstated effective January 2, 1980, but that they be placed on probation for one calendar year from the date of reinstatement. Pete Grigsby moved, seconded by Robie Harper, that the recommendation of the Commissioner be accepted. The motion passed unanimously.

Mr. Edward R. Cooper, Cumberland, Kentucky, appeared before the Board requesting that By-Law 6, Section 1, Transfer Rule, be waived in favor of his daughter, Samantha. Mr. Cooper explained that the reason there was no corresponding change in residence in this case was that he was unable to secure housing in Cumberland at the time he transferred Samantha to Cumberland High School. Following a discussion of Mr. Cooper's request, the Board delayed action pending further investigation.

Assistant Commissioner Billy Wise reported that the Football Championship playoffs were very successful. Financial reports have been received from all game managers, indicating that all expenses have been paid with shares of profit having been sent to the schools involved. After a discussion concerning an additional amount to be allotted to each team taking part in the final games, upon a recommendation of Mr. Mills, Jack Burkich moved, seconded by Zeb Blankenship, that each of the eight schools involved in the finals receive an additional amount of $1,200.00. The motion carried unanimously.

Joseph McPherson moved, seconded by Jack Burkich, that the football playoffs be played at the Kentucky Fair and Exposition Center Stadium in 1980. The motion passed unanimously.

Upon a motion by Zeb Blankenship, seconded by Robie Harper, and a unanimous vote of the Board, the following regulations concerning fees for district, regional and state basketball tournament officials were adopted. The district tournament officials shall receive a fee of $30.00 per game, the regional tournament official shall receive a fee of $35.00 per game and the state tournament official shall receive $40.00 per game. Transportation allowance shall be 15¢ per mile for all necessary travel to officiate an assigned game. In the event it is necessary for the official to remain over-night at the tournament site, he or she shall be paid an additional $20.00 per day for lodging and meals. These apply to both boys and girls tournaments.

Brigid L. DeVries, Assistant Commissioner, gave a report on the soccer survey taken by the Association. She gave a detailed report on the schools and the way they voted with 23 schools voting for soccer to be a spring sport and 22 voting for fall. Following a discussion of the report, Denzil Ramsey made a motion, seconded by J. D. Minnehan, that the Association continue to sponsor soccer as a spring sport. The motion carried 6-3.

Chairman J. D. Minnehan reported that the Basketball Committee met with representatives of each of the sixteen basketball regions on October 20, 1979. The purpose of the meeting was to discuss the results of a survey taken among member schools in April 1979, concerning the classification of schools in basketball. Mr. Minnehan explained that the meeting was well attended and that everyone was given an opportunity to speak both for and against classification.

## Board Minutes

**(Continued from Page One)**

Following Mr. Minnehan's report, Supt. Jack Moreland of the Dayton Independent Schools spoke briefly to the Board concerning his interest in classification. The subject of classification was then referred to the Basketball Committee for further consideration.

Commissioner Mills submitted a written request from West Hardin High School that they be permitted to compete for the 1980 football championship in District 1, Region II, since they have now scheduled all other teams within the district. Fairce Woods moved, seconded by Denzil Ramsey, that this request be approved. The motion passed unanimously.

Commissioner Mills presented a letter received from Rev. Earle Lee, Vice-President of the Kentucky Association of Christian Schools informing the Board of the fact that they are forming an Athletic Conference for their member schools. Rev. Lee requested that he be informed of the Board's position on the effect this would have on their membership in the K.H.S.A.A. After discussing the contents of the letter, the Commissioner was instructed to seek the advice of the K.H.S.A.A. Board attorney and the Legal Council for the State Board for Elementary and Secondary Education prior to responding to Rev. Lee's questions.

Mr. Mills then presented the Board with a letter written by an attorney from Louisville requesting that the Board of Control rescind By-Law 6, Section 1, Transfer Rule, for those students who enter the court ordered busing pattern on a voluntary basis after having represented a secondary school in a first team game. After noting that the Board of Control has been very cooperative with the Jefferson County Board of Education by waiving the Transfer Rule for those students required to change schools to meet the requirements of the Federal Court order regarding busing of students in Jefferson County and the fact that with the exception of the exemption for Court ordered busing, the Transfer Rule applies equally to all athletes and/or member schools throughout the state, Robie Harper moved, seconded by Zeb Blankenship, that By-Law 6, Section 1, Transfer Rule, not be waived as requested. The motion passed.

A request that all high schools from the Jefferson County School System that qualify by enrollment of 1,000 students or less be placed in Class AAA for the 1981-82 football season, was referred to the Football Committee for consideration.

The next meeting date for the Board of Control was scheduled for January 19, 1980, 9:00 A.M., at the Executive Inn-East, Louisville.

J. D. Minnehan moved, seconded by Fairce Woods, that all bills of the Association for the period beginning October 1, 1979, and ending November 30, 1979, be allowed. The motion carried unanimously.

There being no further business, the meeting adjourned.

VOL. XLII—NO. 7 FEBRUARY, 1980 $1.00 Per Year

## Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at the Executive Inn-East, Louisville, Kentucky, on Saturday, January 19, 1980. The meeting was called to order by President Barney Thweatt at 9 00 A.M with all Board members, Commissioner Tom Mills, Assistant Commissioners Brigid L. DeVries, Louis Stout and Billy Wise present Conley Manning and Darrell Wells were present representing the State Department of Education and the State School Boards Association, respectively. The invocation was given by Barney Thweatt.

Norman Passmore moved, seconded by Joseph McPherson, that the minutes of the December 15, 1979, meeting of the Board of Control be approved. The motion carried unanimously.

Mr. Mills read to the Board members the additional information he had received on the change in the residence of the parents of Samantha Cooper. After considering the additional facts concerning the move of the parents into the Cumberland High School district, Jack Burkich moved, seconded by Pete Grigsby, that the Commissioner be authorized to waive By-Law 6, Section 1, Transfer Rule, in favor of Samantha Cooper, and that she be eligible to represent Cumberland High School in athletics. The motion carried unanimously.

Commissioner Mills discussed the need to have ready for the next meeting any new proposals to be presented for the approval of the Board. President Thweatt appointed Chairman Fairce Woods, Zeb Blankenship and Denzil Ramsey as a committee to study the present Constitution and By-Laws for proposed changes to be considered by the 1980 Delegate Assembly.

Mr. Mills requested that the football committee members meet within the next two or three weeks to work on the re-classification of the football schools for the 1981-82 football seasons.

Assistant Commissioner Billy Wise gave a report on the progress of ticket sales for the boys' and girls' State Basketball Tournaments. He reported that advance ticket sales have shown a slight decrease over those of the same period last year.

Mr. Mills read a letter received from Supt. Needham Saylor, Harlan County Schools, expressing his and the Harlan County Board of Education's appreciation to the K.H.S.A.A. for the reinstatement of the membership of Evarts High School.

Mr. Mills explained to the Board that the company that has provided the trophies for the boys' and girls' State Basketball Tournaments for many years has gone out of business and it has become necessary to change to a different style trophy for the 1980 tournaments

Board member Pete Grigsby, Jr., suggested to the Board that a book containing the history, records and statistics of the Kentucky High School Athletic Association be compiled The members of the Board favored the suggestion but declined to take action pending further study.

J.D Minnehan moved, seconded by Zeb Blankenship, that all bills of the Association for the month of December be allowed. The motion carried unanimously.

The next meeting of the Board of Control was scheduled for Friday, March 28, 1980, 9:00 A.M., at the Executive Inn-East, Louisville, Kentucky.

There being no further business, the meeting was adjourned.

## KAPOS NEWS STATE TOURNAMENT INFORMATION

Cheerleader and Sponsor Registration: All cheerleading squads and/or sponsors are asked to stop by the KAPOS table in Freedom Hall to:

1. Register your squad
2. Pick up important information and materials for you and your school.

Along with a KAPOS board member, there will be high school cheerleaders on hand to assist you. They can be identified by their hostess armbands. Feel free to ask them for help, and in turn they may seek you and your cheerleaders to be interviewed by one of the radio commentators. In order to make their task easier, we are asking that you register your seat, row and section number. A possible radio interview is often missed because the guides could not locate the desired person in time for the interview.

Hospitality Room: May we remind all sponsors and cheerleaders that KAPOS has a Hospitality Room located on the second level of Freedom Hall. We cordially invite you to have refreshments, socialize with friends, exchange ideas, and perhaps get help with your problems.

"Sweet Sixteen" Cheerleading Squads: **Attention Principals!** If your team will be participating in the State Tournament, included in the packet sent to you by the KHSAA will be a letter pertaining to your cheerleading squad. Be sure to look for this and relay all information to your cheerleader sponsor. We request that your cheerleaders be chaperoned by a well qualified, school approved adult. Verification of this, along with your sponsor's name, must be contained in the letter of conformation which you will receive. This letter must be in the hands of a KAPOS officer prior to the time that your cheerleaders take the floor.

Important! Please be sure that your school is a paid member of KAPOS or pays the fee before their first game in order for your squad to compete for the cheerleading awards in the State Tournament. The winners of these awards will be determined by use of the KAPOS Judging Sheet, a copy of which will also be included in the packet sent by the K.H.S.A.A. to the winners of the sixteen regions.

## AWARDING OF TROPHIES

KAPOS is pleased to honor outstanding cheerleading squads with the recognition they so well deserve. All cheerleader awards will be presented between games on Friday night of the State Tournament. The awards are as follows:

The winning cheerleader squad will receive the Ted Sanford Trophy. The runner-up cheerleading squad will receive a trophy, with the third and fourth place squads being awarded plaques. In addition, the special K-Pep Award will be presented. All Tournament cheerleading squads and their sponsors are asked to be located close to the playing floor so they can easily come on the floor should they be called for an award.

## GOVERNOR BROWN DECLARES GOOD SPORTSMANSHIP MONTH

While every month should be Good Sportsmanship Month, KAPOS has always tried to put special emphasis on being a good sport at tournament time. Being a good sport is part of being a good citizen. We don't believe that good citizens need to be reminded to exemplify good sportsmanship. However, it is especially fitting at tournament time to remind all citizens that it is a privilege to be able to attend the games and that each individual can contribute to the success of the tournament if he will abide by the KAPOS Sportsmanship Creed proclaimed by Governor Brown. The Governor's proclamation is on display at the KAPOS table.

## NOTE TO ALL ADMINISTRATORS

Many of you have responded to our SOS in releasing teaching personnel to assist with the many tasks necessary to keep this organization functioning effectively.

Again, we need judges and personnel to help at the tournament. This involves at least 12 to 15 people. It is also backbreaking, tiresome work. However, we have many dedicated persons who have indicated a willingness to help share these duties provided they get a release from their administrators. Therefore, the KAPOS board is seeking your understanding and cooperation should you be asked to release a teacher from her duties to help carry on the work that KAPOS is doing to make cheerleading a worthwhile educational experience in the State of Kentucky.

## STATE-AT-LARGE CHAMPIONS

Recognition is annually given to cheerleading squads other than those sixteen fortunate enough to participate with their teams in the State Tournament. The winner will receive the Jane Meyer trophy, while the runner-up will receive a trophy. Plaques will be given to the third and fourth place squads.

Beginning at the district level, all squads that are KAPOS members are eligible to be judged for the honor of representing their district in the KAPOS Region-At-Large cheerleading competition. The winner and runner-up of each district will progress to the region. In turn, the winner and runner-up from each region is allowed to compete for the title of State-At-Large Cheerleading Champions.

Judging for the State-At-Large winners will take place at 8:30 A.M. on Thursday, March 27, and at 8:30 A.M., Friday, March 28, in the Atherton High School Gymnasium, 3000 Dundee, Louisville. The public is invited to this outstanding event. The admission charge of $1.00 per person will go toward the expenses of the KAPOS scholarship award, details of which are supplied below. We are grateful to the administrators of Atherton for their generosity in opening the doors of their school to us for this competitive event. We trust that they will have no cause to fault our behavior. All cheerleaders and guest will be expected to be remindful that they are guests in the "home" of Atherton High School.

At the conclusion of the judging, trophies will be awarded to the top four squads, in addition to several special awards.

## STELLA S. GILB SCHOLARSHIP

KAPOS is happy to annually award the Stella S. Gilb Scholarship to an outstanding and well-deserving cheerleader from Kentucky. One of your cheerleaders may be a potential scholarship winner, so get your applications in early. Applications must be turned in no later than April 15. Write a KAPOS officer for application forms, or pick them up at the State Tournament KAPOS table.

## IN MEMORIAM

**John G. Heber**

John George Heber (1895-1980) long time coach and athletic director at Lexington's Henry Clay High School, died February 11, 1980 in a Lexington hospital following a stroke.

Mr. Heber was a graduate of the University of Kentucky, where he was an All-Southern end on the football team and a member of the baseball team. For many years he did the public address of the Kentucky football games when the Wildcats home games were played on old Stoll Field.

In 1923 he began his long coaching career at old Lexington Senior High School, but most of his coaching years were at Henry Clay High School, when it was located on East Main Street. In 1954 the school renamed their athletic field from Cassidy Field to Heber Field in his honor. The school retained the name "Heber Field" when it built its new school and athletic field in 1971. He retired as a teacher, coach and athletic director from the Lexington school in 1964.

For many years John Heber assisted the Kentucky High School Athletic Association with many of their activities and only last year he was seen at the state High School Track meet with his stop watch timing running events.

### SWIMMING

BACK STROKE, e-j-s-c-a, 1½ reels (15 min.), $3.00.
Good body position and efficient arm action are the basis for the fine performance. Special attention is given to the start and the turn. Effective use is made of animation, stop action and slow motion.

BEGINNING SWIMMING, e-j-s-c-a, 1 reel, $2.00
Through scenes photographed both above and beneath the surface of the water, basic techniques of swimming for beginners are demonstrated. Land and water drills involving kicking, breathing, floating, paddling and stroking and pulling with the arm practiced separately, then coordinated as the swimmer learns the American crawl. The back float, back stroke, and breast stroke are also illustrated and explained.

BREAST STROKE SIDE STROKE AND UNDERWATER SWIMMING, e-j-s-c-a, $2.00
This film presents the conventional breast stroke, timing and strokes, and the kick.

BUTTERFLY, e-j-s-c-a-, 1½ reels (16 min.), $3.00
Newest and most challenging of the swimming strokes is explained in detail. Making use of slow motion underwater photography, the arm action and dolphin kick are analyzed. Correct timing between arms and leg action is vital to performance. Reasons for timing are clearly explained.

CHAMPIONSHIP SWIMMING: PERFECTION TECHNIQUE, e-j-s-c-a, 2 reels, (19 min.), color, $5.50.
Outlines briefly the program and training methods used by the Santa Clara Swim Club that may be used by anyone to train swimmers. The technique illustrated, such as weight training, circle training, pace clocks, bench and stroke work and interval training when properly applied in the appropriate circumstances, will all prove beneficial in perfecting swimming style.

CRAWL STROKE, e-j-s-c-a.
The basic principles of the stroke are presented in this film. The arm stroke, the kick, and the breathing are demonstrated. This film also includes slow motion shots underwater.

DIVING FUNDAMENTALS, j-s-c-a, 1 reel, $2.00
After a brief history of the sport of diving, the following points are explained and demonstrated: the hurdle jump, determining the correct distance, proper arm action, correct way of landing on the feet, proper takeoff and lift, correct entry into the water. The backward dive is also taught, including lift, arching the body, and entry into the water. The motion is stopped at various points to enable detailed study of form.

DOLPHIN KICK, e-j-s-c-a, 1 reel, $2.00.
An excellent swimmer, an underwater camera and carefully devised teaching demonstrations introduce the new swimming techniques known as the dolphin or fishtail kick. Analyzing the body movements used in the dolphin kick, the film stresses the importance of practice for mastery of this efficient speedy kick.

DROWN PROOFING, j-s-c-a, 1 reel (9 min.), color, $4.50.
Shows how to stay afloat and travel in water even if you have never learned to swim. Ninety-nine per cent (99%) of all men and about ninety-nine point nine per cent (99.9%) of all women can remain on the surface in fresh water without moving, as can nearly all children.

I'M NO FOOL IN WATER, p-e-j-a, 1 reel (8 min.), color, $3.00.
Jimmy Cricket illustrates the "do's" and "don'ts" of water safety precautions. Points out the basic rules: wait at least two hours after eating, stay out when water is too cold, never swim alone, and dive only when you know the water is deep enough.

SPRINT CRAWL, e-j-s-c-a, 1½ reels (14 min.), $3.00.

## Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at the Executive Inn-East, Louisville, on Friday, March 28, 1980. The meeting was called to order at 9:00 A.M. by President Barney Thweatt. All Board members, Commissioner Tom Mills, Assistant Commissioners Louis Stout, Brigid L. DeVries and Billy V. Wise were present. Conley Manning was present representing the State Department of Education and Darrell Wells represented the State School Boards Association. The invocation was given by Barney Thweatt.

Joseph McPherson moved, seconded by Norman Passmore, that the minutes of the January meeting be approved. The motion passed unanimously.

As there were a number of guests sitting in on the meeting, President Thweatt asked them to introduce themselves to the Board of Control members.

Mr. Mills reported that the East Eligibility Committee met at the Holiday Inn, Richmond, Kentucky, on March 20, 1980, to hear an appeal in the eligibility case of Andy Langley, a student at Elizabethtown High School. Committee members present were Jack Burkich, Fairce O. Woods, Zeb Blankenship, J.D. Minnehan and Norman Passmore. Attorney G. William Bailey, Mr. and Mrs. Burton Langley and Andy Langley were present to present the appeal.

Following the presentation of the appeal and several questions by members of the Eligibility Committee, Zeb Blankenship moved, seconded by Norman Passmore, that the East Eligibility Committee recommend to the Board of Control that By-Law 6, Section 1, Transfer Rule, not be waived in this case. The motion passed unanimously.

Norman Passmore moved, seconded by Robie Harper, that the Board accept the recommendation of the Eligibility Committee in this case. The motion passed unanimously.

Commissioner Mills gave the results of the recent balloting for Board membership for Sections 1-4, Sections 5-8, Section 7 and Section 8. The balloting was as follows: Sections 1-4, George Carson; Whayland Coleman 81; Charles Henry 25; John R. Whiting 30. Sections 5-8, E.R. Gray 43; Alvis Johnson 62. Section 7, Charles Black 24; Harold E. Combs 10. Section 8, John Brock 29; Paul Reliford 6.

Recommendations of the Football Committee was reported to the Board by Mr. Mills. Copies of the recommendation, listing the schools in their proper classification was sent to all football playing schools. The classification changes were made according to membership enrollment figures provided by the State Board for Elementary and Secondary Education at the end of the first month of the 1979-80 school year, which resulted in a number of Jefferson County schools moving to Class AAA. Therefore, the present alignment is subject to change since the 1981-82 assignments will be based upon the membership enrollment figures received at the end of the first month of the 1980-81 school year.

There was a discussion of new proposals to be submitted by Prin. David Points, Montgomery County High School, and the State Board for Elementary and Secondary Education at the forthcoming Delegate Assembly. A list of these proposals appear elsewhere in this issue of the **ATHLETE** and copies have been sent to all member school representatives and Delegates.

Mr. Mills gave a brief report on the Girls' State High School Basketball Tournament. He stated that he will have a more detailed report at the April meeting. He also took this time to thank the people in Louisville for their help with the promotion of the Boys' State Tournament. A financial audit of both tournaments will appear in the August ATHLETE.

Commissioner Mills reported that on February 20, 1980, he met with the State Department for Elementary and Secondary Education to discuss the classification in basketball. Even though the K.H.S.A.A. has sent two surveys in the past to the member schools on basketball classification, the State Department recommended that another survey or ballot be sent to the Board Appointed Representatives and that they be sent by registered mail with a return deadline. After a lengthy discussion, Norman Passmore moved, seconded by Fairce O. Woods, that the recommendation of the State Department for Elementary and Secondary Education be accepted. The motion passed unanimously. President Barney Thweatt requested that the Basketball Committee prepare the survey form to be presented to the Board Appointed Representatives and present it to the full Board for approval during the April Meeting.

Mr. Mills presented the following report on the litigation involving Michael Bandy, Greenville High School. Michael was declared ineligible under the Kentucky High School AThletic Association By-Law 6, Section 1, Transfer Rule, to participate in interscholastic athletics. The player, through his grandfather, appealed the decision of the K.H.S.A.A. Board to the Kentucky State Board for Secondary and Elementary Education and said Board upheld the ruling of the High School Athletic Association. Thereafter, Michael Bandy filed suit in the Muhlenberg Circuit Court and was granted a temporary injunction by the Circuit Court Judge. This temporary injunction allowed Bandy to participate in interscholastic athletics. The K.H.S.A.A. immediately appealed the case to the Kentucky Court of Appeals and that Court, without opinion, refused to grant interlocutory relief from the injunction issued by the Muhlenberg Circuit. Immediately after the Court of Appeals ruling, an appeal was filed to the Supreme Court of Kentucky. The Supreme Court granted the interlocutory relief and dissolved the injunction.

Doug Ruedlinger, with whom the K.H.S.A.A. has catastrophe insurance coverage, has informed Mr. Mills that they will raise the catastrophe insurance plan from $75,000.00 to $100,000.00 at the same premium cost ($17,500.00). Mr. Ruedlinger also asked permission to send brochures to all member schools informing them of the insurance plan they have to offer for the first $1,000.00 coverage. He asked for an updated letter from Commissioner Mills to go along with the brochures. Zeb Blankenship moved, seconded by Fairce O. Woods, that the Commissioner by authorized to send a cover letter to the insurance company. The motion passed unanimously.

Mr. Mills read a letter of resignation as a member of the K.H.S.A.A. Board of Control from Mr. D. J. Ramsey stating that he had found it necessary to retire. Mr. Ramsey thanked the Board for the privilege of serving with them and how impressed he had been with the leadership of the Board members who serve with open minds and strive for consistency. Jack Burkich moved, seconded by Zeb Blankenship, that D. J. Ramsey's resignation be accepted. The motion carried unanimously.

## Minutes of Board Meeting

***Continued from Page 1***

Robie Harper moved, seconded by Joseph McPherson, that the Board direct the Commissioner to fulfill the vacancy on the Board within sixty days. The motion passed unanimously.

Mr. Mills informed the Board that a complaint had been filed with the Department of Health Education and Welfare by individuals representing several Kentucky organizations, which alleges discrimination against students based on sex in violation of Section 86.14 of the DHEW federal regulations implementing Title IX of the Education Amendments Act of 1972. The complaint was filed against the Kentucky State Board for Elementary and Secondary Education charging that the K.H.S.A.A., the agent of the state controlling interscholastic athletics, discriminates on the basis of sex by denying equal athletic programing in such areas as track, cross country, fencing and gymnastics. Failure to offer state tournament competition in such sports as volleyball, softball and field hockey were listed as alleged examples of discrimination. They further charged that equal athletic benefits are denied in the site selection of the girls' state basketball tournament. Mr. Mills explained that individual Board members would be supplied a copy of these complaints along with his response prior to the April Board meeting.

Fairce O. Woods moved, seconded by Norman Passmore, that all bills of the Association for the period beginning January 1, 1980, and ending February 29, 1980, be allowed. The motion carried unanimously.

The next meeting of the Board of Control was scheduled for April 17, 1980, 3:00 P.M., at the K.H.S.A.A. Building, Lexington.

There being no further business Fairce O. Woods moved, seconded by Zeb Blankenship, that the meeting be adjourned. The motion carried unanimously.

## 1980 K.H.S.A.A. ANNUAL MEETING

The business meeting of the K.H.S.A.A. will be held on Friday, April 18, at 11:00 A.M., in the Kentucky High School Athletic Association Building, 560 East Cooper Drive, Lexington, Kentucky.

**Proposal I**

Principal David S. Points, Montgomery County High School, proposes that By-Law 4, Age, be changed to read as follows: "A contestant becomes ineligible on his/her nineteenth birthday with the following exceptions: If the age of nineteen is attained after the sport season has started, he/she remains eligible for the remainder of the season in that sport. For the application of this rule, the fall sports season shall begin on **August 1,** the winter sports season on **November 1**, and the spring sports season on **March 1.**"

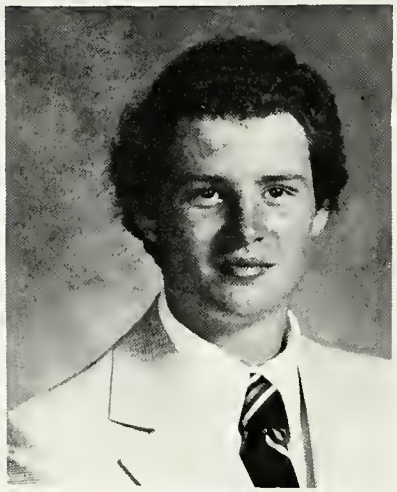
## GAME GUY AWARD



**Todd Burns**

The Game Guy Trophy is annually awarded to the one athlete in the State of Kentucky who has overcome a physical handicap and participated in high school athletics. Todd Burns was the unanimous choice of the K.H.S.A.A. for the 1980 award.

Todd Burns is a senior at Oldham County High School and a starter on the boys' basketball team. During the winter of the 1978-79 school year, Todd was involved in a serious automobile accident wherein he sustained a fractured pelvis. The injury was so extreme the doctor stated he was not optimistic about Todd ever walking again and refused to discuss with Todd's parents the possibility of their son participating in athletics again.

Only through Todd's individual perseverance in the physical therapy program designed specifically for him was he able to overcome his disability and return to excel on this year's eighth regional championship team.

## Minutes of the Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. office on Thursday, April 17, 1980. The meeting was called to order by President Barney Thweatt at 3:00 P.M. with all Board members; Commissioner Tom Mills and Assistant Commissioners Brigid L. DeVries, Louis Stout and Billy V. Wise present. Conley Manning was present representing the State Department of Education. The invocation was given by Norman Passmore.

President Thweatt welcomed Prin. Walter Pickett, Valley High School, as the newly elected Board of Control member representing Regions 5 and 6. Mr. Pickett is serving out the remaining term of Denzil J. Ramsey who has retired.

President Thweatt also introduced Mike Embry of the Lexington Herald Leader, Prin. Tom Hodd and Ath. Dir. Stan Steidel of Dayton High School.

Pete Grigsby moved, seconded by Norman Passmore, that the minutes of the March meeting be approved. The motion carried unanimously.

Assistant Commissioner Billy Wise reported the attendance at the Girls' State Basketball Tournament at approximately 21,360 as compared to 28,753 in 1979. The gross receipts from the girls' tournament was approximately $77,032 with expenses of $48,276.42.

The Boys' State Basketball Tournament had an attendance of 85,360 and gross receipts of approximately $343,445.00 with expenditures of $90,993.25. A complete audit of both girls and boys tournaments will appear in the August issue of the Athlete.

Basketball Committee Chairman J. D. Minnehan presented to the Board a survey form and cover letter pertaining to classification in basketball as requested by President Thweatt during the March Meeting. Mr. Minnehan explained to the Board members that the basketball Committee does not recommend that a list of pros and cons be formulated by the Commissioner or Board of Control to accompany the survey forms. It is the belief of the members of the Committee that each representative has his or her own opinion as to why there should or should not be classification in basketball and regardless of what is presented by the Board, they leave themselves open to charges of attempting to sway the vote one way or the other. After discussing the contents of the cover letter and survey form, Norman Passmore moved, seconded by Zeb Blankenship that the Board accept the recommendation of the Basketball Committee. The motion passed with a vote of 7 ayes, 3 abstensions.

Mr. Mills read a letter from Prin. Ronald Fentress of Anderson County High School, requesting that Anderson County High School and Western Anderson High School be moved from District 29 to District 30 in basketball. After a lengthy discussion and considering the fact that a new school, Bullitt East High School, will be assigned to District 29, Jack Burkich moved, seconded by J. D. Minnehan, that the request of Prin. Fentress be granted. The motion carried unanimously.

Mr. Mills reported to the Board that a new school, Western Hills High School will open in Franklin County beginning in August, 1980. He recommended that Western Hills High School be placed in Basketball District 41. Joe McPherson moved, seconded by Faircе O. Woods, that the Commissioner's recommendation be accepted. The motion carried unanimously.

Chairman Zeb Blankenship presented the Staff Committee report. The following recommendations were presented for consideration by the Board.

## J.B. MANSFIELD AWARD

Zeb Blankenship moved, seconded by Pete Grigsby, that the recommendations of the Staff Committee be accepted. The motion passed unanimously.

Fairce O. Woods moved, seconded by J. D. Minnehan, that Barney Thweatt and Zeb Blankenship be named Delegate and Alternate, respectively, to the fourthcoming annual meeting of the National Federation. The motion passed unanimously.

Commissioner Mills requested that the Board set the price of tickets for the 1981 State Basketball Tournaments and recommended that the price be increased 50¢ per ticket. Jack Burkich moved, seconded by J. D. Minnehan, that the Board accept the recommendation of the Commissioner to raise the price of the boys and girls state high school basketball tournament tickets from $4.00 and $5.00 to $4.50 and $5.50, respectively, for 1981. The motion passed.

The officials' fee for registration with the K.H.S.A.A. was discussed. Commissioner Mills explained that the present fee of $9.00 for registration for the first sport and $6.00 for each additional sport does not cover the cost to the Board. He explained that the fee includes rule books, shoulder ensignia, copy of the K.H.S.A.A. Constitution and By-Laws, subscription to the *ATHLETE* and liability and catastrophe insurance while officiating or traveling to or from assigned games. The Commissioner recommended that the registration fee for officials be set at $15.00 for the first sport and $10.00 for each additional sport beginning July 1, 1980. Norman Passmore moved, seconded by Zeb Blankenship, that the recommendation of the Commissioner be accepted. The motion passed unanimously.

After a lengthy discussion on the amount of the annual membership fee to be paid by each member school, Zeb Blankenship moved that the following plan be adopted effective July 1, 1980: Each member school shall pay to the Commissioner on or before September 1 an annual membership fee of 10¢ per student enrolled in the upper three grades with a minimum fee of $35.00 and a maximum fee of $125.00. The membership figures at the close of the first month of the previous school year as received from the State Department of Education shall be used in calculating the membership fee for each school. J. D. Minnehan seconded the motion and it passed unanimously.

Mr. Mills reported to the Board that they needed to update Article IV, Section 3-d-4. He recommended that it read as follows: "Hold regular meetings in July, October, December, January, March and April." Fairce O. Woods moved, seconded by Walter Pickett, that the changes be made in Article IV, Section 3-d-4. The motion carried unanimously.

Mr. Mills stated that Knott County Central High School has requested permission to be placed in Class AAA, Region IV, District 2, Sub-District 1, and James A. Cawood High School asked to be changed to Class AAA, Region IV, District I, Sub-District 1, in football. Fairce O. Woods moved, seconded by Norman Passmore, that these requests be granted. The motion passed unanimously.

## MINUTES OF ANNUAL MEETING

The Sixty-Third Annual Meeting of the Kentucky High School Athletic Association Delegate Assembly was held at the office of the K.H.S.A.A., Lexington, on Friday morning, April 18, 1980. The invocation was given by Jack Burkich.

Commissioner Tom Mills then presented a report on the activities of the Association during the 1979-80 school year. Jim Pursiful moved, seconded by Luther McDowell, that the report be accepted. The motion carried unanimously. (The Commissioner's report is printed elsewhere in this issue of the "Athlete.")

President Thweatt stated that presentation of proposals was the next order of business.

Jim Pursiful moved that Proposal I be tabled. Proposal I reads as follows: Principal David S. Points, Montgomery County High School, proposes that By-Law 4, Age, be changed to read as follows: "A contestant becomes ineligible on his/her nineteenth birthday with the following exceptions: If the age of nineteen is attained after the sport season has started, he/she remains eligible for the remainder of the season in that sport. For the application of this rule, the fall sports season shall begin on **August 1**, the winter sports season on November 1, and the spring sports season on **March 1**." The motion died for lack of a second.

Robert Hoagland moved, seconded by Luther McDowell, that Proposal I be adopted. The motion carried.

Joseph McPherson moved, seconded by Ronald Johnson, that Proposal II be adopted. Proposal II reads as follows: The State Board for Elementary and Secondary Education, through an adhoc committee composed of Superintendents, Principals and Coaches, proposes that By-Law 29, Requirement for Coaches, be amended to read as follows: "Coaches of athletic teams of members of this Association shall be certified teachers and members of their regular school systems. They shall be regularly employed by their Board of Education, and their entire salaries shall be paid by such boards; they shall teach a minimum of three regular periods of classes, gymnasium, study halls, or other activity assignments within the school's schedule. Whenever a local school district is unable to staff an athletic program under the above rule, the local district superintendent may request the Commissioner to approve, for one school year, an alternative staffing arrangement provided appropriate justification is given in writing on forms provided by the Commissioner. As long as a paraprofessional is acting within the scope of authority as set forth in 704 KAR 15:080 and KRS 161:010; 161:044, he/she may assist coaches.

All schools shall comply with the provisions of this rule in order to qualify for and to maintain membership in the Association.

A head coach in football, basketball, baseball and wrestling shall attend one clinic in the sport involved." The motion failed to receive the necessary two-thirds vote for passage.

There being no further business, the meeting was adjourned by President Barney Thweatt.
